String Maze - Rulebook

Objective

Reach the finish point as quickly as possible while following all the rules.

Event Type: Individual Competition

Participants: Open to all.

Rules

1. Each participant must complete the maze from the designated starting point to the finish point.
2. Participants must navigate through the maze without intentionally moving, breaking, or removing the strings.
3. The participant's final score will be determined by their completion time plus any applicable penalties.
4. Participants must follow the designated path and avoid disturbing the maze setup.
5. The decision of the event judges will be final in matters concerning rules, penalties, and disqualification

Judging Criteria

Participants will be judged based on:

- **Completion Time:** The participant who completes the maze in the shortest time will receive the highest ranking.
- **Rule Compliance:** Participants must follow the designated path and avoid touching or disturbing the strings.

- **Penalties**: Any applicable penalties will be added to the participant's completion time.
- **Maze Completion:** The participant must successfully reach the designated finish point.

Tie-Breaker: If two or more participants have the same final time, the participant with fewer penalties will be ranked higher. If the tie still remains, a tie-breaker round may be conducted.

Disqualification Criteria

A participant may be disqualified for:

- Deliberately breaking, moving, cutting, or altering the strings.
- Taking an unauthorized shortcut or bypassing any section of the maze.
- Refusing to follow instructions given by the event coordinators.
- Cheating or engaging in any form of misconduct.
- Deliberately damaging the event setup or equipment.
- The decision of the event judges/organizers regarding disqualification will be final.
