BALLOON BURST

Rules and Regulations

- Partner A must remain inside the marked area near their chair throughout the game.
- Partner B can move freely but must blow the balloons only using their mouth (no pumps).
- Partner B must transport the balloons by hitting them continuously in the air. If they hold or carry a balloon while walking/running, that balloon is disqualified.
- There is no limit on how many balloons Partner B can transport at once, provided they keep them all in the air.
- Any balloon that touches the ground during transport is immediately discarded and will not be counted.
- Balloons must be burst by Partner A ONLY by placing them on the chair and sitting on them. Popping with hands is not allowed.
- Nails, pins, teeth, or any sharp objects are strictly prohibited and will lead to immediate disqualification.
- Teams must stop immediately when the whistle or "STOP" command is given.
