GUESS THE JUICE

Official Rulebook — UDGAM 2026

1. Attempts

Each player will get 5 attempts.

Every throw counts as an attempt, regardless of whether it is successful.

No additional attempts will be given for missed shots.

2. Throwing

All throws must be made from the designated starting position.

The ball must bounce at least once on the table before entering a cup.

A ball entering a cup without bouncing will not be counted.

3. Scoring

A successful shot into a regular cup will receive 1 point.

A successful shot into an isolated cup will receive the points marked for that cup.

The isolated cups are worth 2, 3, 4, and 5 points respectively.

4. Tie-Breaker

If two or more players finish with the same highest score, a tie-breaker round will be conducted.

The format and number of attempts for the tie-breaker will be announced by the event coordinator.

A player who fails to attend the tie-breaker round when called will be disqualified and will not be considered for the final result.

5. Disqualification

Deliberately interfering with the cups, table, or game setup.

Repeatedly violating the instructions of the event coordinator.

Organizers must ensure that all samples provided are safe for consumption.

5. Disqualification

Any attempt to peek, tamper with cups, obtain outside assistance, or otherwise cheat will result in immediate disqualification.

Misbehavior or failure to follow the instructions of the judges or coordinators may also result in disqualification.

6. Final Decision

The decisions of the judges and coordinators regarding scoring, qualification, disqualification, and winners will be final and binding.
