UDGAM 2K26

MOBILE LEGENDS: BANG BANG (MLBB)

Rules and Regulations

Eligibility and Format

1. **Game Mode:** Team of 5 players + 1 optional substitute.
2. **Platform:** Mobile phones only (Android and iOS).
3. **Level Requirement:** Minimum level 10.

General Rules-

- **Player Registration:** Registration is through a Google Form. All team members must play with the exact In-Game Name and Character ID submitted during registration.
- **Room Credentials and Communication:** WhatsApp is the primary communication platform.
- **Punctuality:** All teams must be at the venue 15 minutes before the start time. Matches start strictly on time.
- **Teaming and Collusion:** Teaming up with enemy teams or intentionally feeding kills leads to immediate disqualification of all teams involved.
- **Anti-Cheating and Integrity:** Any use of third-party software, wallhacks, auto-aim, recoil control scripts or in-game bug exploits means immediate disqualification and a permanent ban from college events.
- **Disconnections and Ping:** Players are responsible for their own internet connection and hardware performance. Matches are not restarted for individual disconnections or high ping. Players should bring their own extension cord.
- **Result Verification:** The In-Game Leader (IGL) of each team must take a screenshot of the end-game placement screen showing total team kills and position, and submit it to the coordinators immediately after each match.
- **Sportsmanship:** Abusive language, toxicity or disrespect towards coordinators or opponents leads to point deductions or disqualification, and legal action will be taken.
- **Final Decision:** Tournament coordinators settle disputes. The judges and coordinators are final.
- **Slot Disputes:** If another player is sitting in your slot, inform the management at least 2 minutes before the game starts. If someone has occupied your slot, wait in slot 24-25. Do not occupy other slots.

Disqualification-

- Violations of these rules may result in disqualification.
