SINGING COMPETITION RULEBOOK

General Rules

1. Participants must register before the deadline specified by the organizers.
2. Only registered contestants are eligible to participate.
3. Every contestant must participate in both rounds of the competition.
4. Participants must report to the venue at the time specified by the organizers.
5. The song selected for performance must be appropriate for a college/fest audience.
6. Each song should be approximately 3–5 minutes long.
7. Participants are expected to maintain proper conduct throughout the competition.
8. The decision of the judges will be final.

Round 1 – Your Voice

Each contestant performs a song of their choice. This round focuses on their natural singing ability, including vocals, pitch, rhythm, expression, and stage presence.

1. Each contestant may choose their own song.
2. The selected song should be approximately 3–5 minutes long.
3. The song must be appropriate for a college/fest audience.
4. The performance will be evaluated on vocal ability, pitch, rhythm, expression, and stage presence.

Round 2 – Switch It Up

Contestants are given a fun musical challenge and must perform a song in an unexpected style or mood. This round tests their creativity, versatility, and adaptability.

1. Contestants will be given a musical challenge by the organizers.
2. The contestant must perform the song in the assigned/unexpected style or mood.
3. Examples include a romantic song performed in a rock style, or a Bollywood song performed in a classical or acoustic style.
4. The song should be approximately 3–5 minutes long and appropriate for a college/fest audience.
5. Each contestant will have three lifelines during this round.
6. Using the lifeline, the contestant may either choose another song or rotate the song wheel again.
7. Each lifeline can be used only once, and a lifeline must be used before beginning the performance.
8. Judging will focus on creativity, versatility, adaptability, confidence, and stage presence.
