UDGAM 2K26

RULEBOOK FOR SQUID GAME

ROUND 1: RED LIGHT, GREEN LIGHT

Reach from one end of the ground to the other within 3 minutes without getting eliminated.
Rules:
1. Players start at the designated starting line.
2. When the music plays, move forward.
3. When the music stops, freeze immediately.
4. Any player caught moving when the music stops will be eliminated.
5. Players who reach the finish line within 3 minutes qualify for Round 2.

ROUND 2: GROUP FORMATION CHAOS

Form a group based on the random number announced. Those who fail to form the exact group size are eliminated.
Rules:
1. The host will announce a random number (e.g., 3, 5, or 6).
2. Players must form groups containing exactly that number within 10 seconds.
3. Anyone left out or in a group with more or fewer members will be eliminated.
4. The number changes each round, and so do your allies.
5. The round continues until a set number of players remain for Round 3.

ROUND 3: MARBLES

- Players are paired up.
- Each person is given 10 tokens/marbles.
- Players can choose games such as odd/even guessing, target throwing, etc.
- The winner takes the opponent's tokens.

ROUND 4: GLASS BRIDGE

Safer Version
- Create two rows of numbered/color-coded tiles.
- Only one tile in each pair is safe, determined beforehand.
- Players must remember/figure out the path.
- Use floor mats/foam tiles, not actual glass.

GENERAL RULES

- Players must strictly follow the instructions of the coordinators and judges.
- Any kind of misconduct, arguing, or unsafe behavior will lead to immediate elimination.
- Judges' decisions are final and binding.
