UDGAM 2026

RULEBOOK FOR THREE-LEG TIE

1. Teams must remain tied together throughout the race.
2. The race begins only after the official starting signal.
3. Participants must coordinate their movements and complete the race together.
4. Running, walking, or hopping is permitted provided both participants remain safely connected.
5. Teams must remain within the designated race path or lane.
6. Deliberately interfering with another team is strictly prohibited.
7. If a team falls, they may stand up and continue the race from the point where they fell, provided they remain tied together.
8. Any team whose tie becomes loose or detached must stop immediately and have it re-secured by an event official before continuing, if permitted.

Starting Procedure

1. Teams shall assemble at the starting area before the scheduled race time.
2. The tie will be inspected by event officials before the start.
3. Participants must remain behind the starting line until the official signal is given.
4. Any team leaving before the signal may receive a warning or be disqualified for a false start.
5. Finish Line Rules

6. **Both participants must cross the finish line while still tied together.**
7. **A team shall be considered to have finished only when both members have completely crossed the finish line.**
8. **If the tie has been intentionally removed before crossing the finish line, the team shall be disqualified.**
